Trading as Vintage Road Haulage

CORE VALUES

Vintage Road Haulage was established with a solid philosophy and confidence in our company's five core values. The core values encourage its people and motivate the company to aim for and reach its goals of providing its clients with service of excellence, introducing and maintaining safe and effective procedures and having respect for others.

INTEGRITY, COMMITMENT, QUALITY, DRIVE, SERVICE

- We always act with honesty and dependability.
- We have an obligation and responsibility to our safe working practices which align with industry standards.
- Our employees are our biggest asset who help build and preserve our effective working relationships with all clients.
- We aim to acquire, train and retain staff with the focus of achieving a high standard to health and safety in the workplace and at all times meet the requirements of our customers, always keeping safety and quality of service in mind.
